

Ride-on Scrubber Drier – CRO 1385

Seat Pressure Detector

Front-Mounted Safety Light

Wet Pick Up Squeeze

Anti Slip Wheels

CRO 1385 has great manoeuvrability, thanks to a balanced weight distribution. With its robust structure, it can deep clean efficiently. It comes with detergent control and auto stop feature. Detergent flow stops and starts upon traction pedal being activated. Low noise feature makes the machine suitable for daytime cleaning even in noise-sensitive applications.

Advantages:

- High-quality vacuum seal in recovery tank: Vacuum gasket is made of elastic material, assuring the best vacuum sealing throughout the life of the machine.
- Excellent water flow into the tank: Dirty water is vacuumed directly from the squeeze, runs on a curve made on the hood.
- CFS (Center Flow System): Centre spray solution outlet on the brush ensures the entire use of the brush and does not waste water and detergent.
- 3 X more productivity than walk-behind scrubbers. Saves on Manpower.
- Compact smart design, User Friendly.
- Fresh Water Tank: 110 L.
- Dirty Water Tank: 130 L, perfect suction performance.
- The intelligent water sensor system, ensure maximum protection for brushes and vacuum system.
- Rear-wheel drive, climbing capacity reaches to 20% while turning radius 0.8 Meter.
- Brush pressure Boost.
- Connect and disconnect brushes automatically, Electronic brush and squeeze up/down, Easy to maintain.
